MATHEMATICS - ODE, FALL 2005
T R 9:30-10:50., Room 2007 Mallot Hall

Instructor: Dr. Atanas Stefanov
Telephone: 864-3009 (Office)

Office: 615 Snow Hall
E-mail: stefanov@ku.edu

Office Hours: M 11-12, R 8:30-9:30
Web: http://www.math.ku.edu/~stefanov

Classes You are expected to attend every class and to bring your textbook. You should read
the covered sections in the book and attempt to solve some of the problems in preparation
for each class.

Online Quizzes: Four online quizzes (each worth 25 points) will be offered through the
system EDU. This will be with time restrictions each time one takes it online, but two
attempts will be allowed for each assignment.

Homework: Homework (both the reading and the exercises) should be completed by the
next class after it is assigned. Homework will be collected on Tuesdays, and it will cover
the material presented the previous week. Each homework assignment will be worth 20
points. Homework is a major part of the learning process in Mathematics. It is essential
that the students work on the problems regularly. It is your responsibility to seek help on
all problems that you cannot do. Help is available during office hours or by appointment
with me.

No late homework will be accepted.

Exams If you have a valid reason for missing the exam, you should discuss it with me
BEFORE the exam. There will be NO MAKEUP EXAMS or HOMEWORK!
The exams will be held during regular class time on the following dates:
Exam I September 20th,
Exam II November 22th,

Final Exam To be announced.

Grades Your grade for this course will be determined by the number of points that you
accumulate. The points are distributed in the following way:

<table>
<thead>
<tr>
<th></th>
<th>Total Points</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Online Quiz</td>
<td>100</td>
<td>10%</td>
</tr>
<tr>
<td>Homework</td>
<td>200</td>
<td>20%</td>
</tr>
<tr>
<td>Exam I</td>
<td>200</td>
<td>20%</td>
</tr>
<tr>
<td>Exam II</td>
<td>200</td>
<td>20%</td>
</tr>
<tr>
<td>Final Exam</td>
<td>300</td>
<td>30%</td>
</tr>
</tbody>
</table>

The highest possible total is 1000. A total of 900 points will guarantee an A, 800 a B, 700
a C, and 600 a D.
Students with disabilities: The staff of Services for Students with Disabilities (SSD), 135 Strong, 785-864-2620, coordinates accomodations and services for KU courses. If you have a disability for which you may request accomodation in KU classes and have not contacted them, please do so as soon as possible. Please also see me in regard to this course.

Policy on religious observances: Any student in this course who plans to observe a religious holyday which conflicts in any way with the course schedule or requirements should contact the instructor as soon as possible to discuss alternative accommodations.
